

Your Time Has Come!
“Let My Children Go.” Say’s the Lord.

Chontae Taingahue, 12 March, 2020

At the beginning of this year, I stood on Kaiti Hill - Gisborne; whilst there God showed me through an open eyed vision of a darkness coming from the far north and eventually sweeping through Aotearoa - New Zealand.

I saw it slowly making its way towards me. I’d shudder to my core as I’ve seen this darkness before in a dream last year; it was the night before Prime Minister Jacinda Ardern allowed the Islamic prayer to be aired across our air waves through media, opening spiritual doors to the kingdom of darkness and welcoming whatever stepped through onto our nation. What stepped through was the ‘Mother of Islam.’ Under her feet was a deadly serpent.

I could sense the darkness coming from the north was more powerful it was like ‘The Mother of Islam’ had gained in numbers and power.

God had me look more deeply into the darkness and out from it came one of the four horsemen. I was startled and jumped back in shock, It was the green horsemen, carrying with it, deadly pestilence, diseases, war, violence and hatred. And out of the shadows came, Hades and the Anti-Christ.

I shook violently....

God then drew my attention south. My eyes gazed upon the Parliament House - Beehive and in my anguish I saw it covered in the blood and bones of the aborted unborn babies.

I cried out “God I repent for my nations sins, please have mercy on us. Let not the blood be our hands and on my watch. Please, I repent, have mercy on us.”

God replied, “prophesy to these bones, that they may live.”

I started to prophesy, but was stopped in my tracks, as I sensed the decision of the Abortion and the Euthanasia Bill would become legalised in New Zealand.

I cried out for more of God's mercy, repenting for the future dumb decisions our government would make and ones where the churches of New Zealand have stood silent for, far to long.

Gods last words to me on this day would echo through my entire body, sending a fear through my bones, "My judgement is coming upon this house and nation."

11th Hour is Crucial!!

In the 11th hour, I hear the Lord saying to our Parliament House,

"Your time has come, Let my children go."

A flicker of hope and light fills my entire being, knowing we still have time to change the mind of God, that as his children we can pray, intercede and repent of our sins, past, present and future for ourselves and our nation; rendering a verdict in our favour, turning the hearts of fathers and mothers of that parliament to God to avoid bringing judgement upon Parliament House and our nation.

This will take every Child of God, believer and follower of Jesus Christ to unite. We need to arise shine because the glory light has come, the Lord our God rises upon each of us to stand boldly and courageously to do whatever means necessary according to God to stand against these heinous and murderous crimes. To use our voices shouting!

"Your time has come - Let our children go."

I cannot stress the importance of this 11th hour, a window to change the outcome.

Be bold and courageous for the Lord our God is with us. Repent for our nations sins and cry out for His mercy.

Because, we need Gods mercy!

I'm constantly reminded in this hour that though this darkness is powerful so is the light that is within us, and Gods glory light. If God's glory light has arisen upon us it has come to dispel darkness. We are Gods Children given power and authority. We must rise up in repentance, in mercy to stand up and be counted for, united together as one. Now is not the time to sit in our pews of our four walls of our churches and be silent.

"Maranga mai"

"Maranga mai"

"Maranga mai ra"

"Arise shine, for your light has come, and the glory of the Lord rises upon you. See, darkness covers the earth and thick darkness is over the people's, but the Lord rises upon you and his glory appears over you." - Isaiah 60:1-2

To the 80 MPs supporting the Abortion Bill; you have been served by God.

Your time has come, you have the opportunity to decline the Abortion and the Euthanasia Bill. Both are an abomination to God. If you legalise both Bills, blood will be spilled on your hands bringing judgement on the Parliament House and, upon our beautiful nation.

"Your time has come, Let our children go.

The Last Call!

This is the last clarion call to the 80 MP's in our 11th hour;

Hear me loud and hear me clear;

"Your time has come, Let our children GO!"

You still have time to do what is right in the eyes of God. Turn from the ways which will lead us straight into evil, a darkness we have never experienced before is upon us, a hell hole place, where deliverance will not come for generations.

"Let our children GO!"

Signed

Showing a depiction of the vision seen by Chontae on Kaiti Hill - Gisborne.

Due to the intensity of the actual vision of unborn babies aborted with their blood and bones spilled all over the Parliament House - Beehive. Out of respect, honour and keeping their integrity intact, Chontae asked Ariana to not display our babies broken, torn apart bodies as part of this picture.
